BUCKINGHAM.

The 1st of March was a good day and there was a large attendance at Circuit Court. The county school board met with Mr. John G. Glover acting as chairman in the absence of Mr. John A. Twymen after route-business had been transacted a number of the most prominent colored people in the county appeared before the board in the interest of a movement they have on foot to get a training school for negro teachers established in the county. They intend to make a drive to raise funds that will expect each voter to contribute one dollar towards establishing this school, the money in May's district will donate the land if the school is established at this place.

Old plug noes were selling low on this market, but good horses and mules had the high price.

Mr. Ernest Hooper is on the sick list.

Mrs. Maggie P. Morris is contemplating spending some time with her sister, Mrs. F. E. Fliegstad, near State River Mills.

Dr. G. L. Morris has sold his paper, the Union Virginia Farm, to Mr. Potter, who has been interested in the publication of the paper for some time.

Professor Brown and Gross have undertaken to superintend the installation of the heating plant and the arrangement of the sports equipment at the high school building.

Rumor has it that we are to lose one of our pretty little lady teacher next session and that Appomattox is to be the gainer by it.

Rev. C. M. Farrell gave notice that a collection would be taken on the 11th Sunday in the month for the American and Syrian relief fund.

I know of three losses of things sent in the mails recently. Unafraid to send anything valuable now unless it is registered.

At a mass meeting of Democrats held at Rockingham on March 9th, 1920, the following delegations were elected to represent this county in the Roanoke convention: John B. Postwright, E. W. Hubbard, Nelson Fyfield, William Williams, J. A. Anderson, J. P. Gill, C. G. Condon, A. H. Williams, R. H. Word, and W. T. Shadley. These delegations got unopposed and it was decided that the delegates in voting in the convention should adopt the resolution.

The following resolutions were adopted by the mass meeting held on March 9th, 1920. Resolved, by the Democrats of Buckingham county in mass meeting assembled, 1st. We endorse the Democratic administration of our National government. 2d. We endorse the statesmanship like leadership of our president, Woodrow Wilson. 2d. We esteem it a privilege as well as a duty to congratulate and felicitate our distinguished Representatives in Congress the late Henry D. Reed, and the distinguished services to his country. He has sided with great ability and undesigning zeal all the foreign and domestic policies of the chief of our party and has been in the forefront in promoting the measures of the Democratic administration. We extend to him our warm and hearty support for another term in the house of Representatives.

In State of rebellion

At least one man in Richmond has recently given up record of being in the state of rebellion against further attempts to extract money from him for any cause whatever.

food, bad or indifferent. His declaration of war was made in a recent reply to a request for a contribution. The text of the communication follows:

"I'll think of my dear old home, Where they have so much snow. I love to hear the little birds sing. They seem so happy and gay, I will think it's always spring; And then I intend to stay Up on the grass I'll make my bed,

And listen to the oranges fall;

If one should hit this bald head Then you'd hear me squall!

One more verse, and then I'm through With the cold storage shed,

Now, my friend, what would you do?

If you like me, had a bald head?"
